**Application to know the information of the circular(web developer) of ABC Limited**

Assalamu alaikum,

I have got the circular for a web developer of ABC limited in their facebook page. But I am not clear about the circular information.

In this circular , do not tell the position of web developer (senior or junior web developer).If you make the short list for the applicants, after the next process is not explained such as interview time,online interview or offline interview .

Could you please explain this information , I would be benefited.

Sincerely,  
MD NURE ALAM RIYAL
